Event Overview

The 3rd G25 African Coffee Summit, is the 3rd summit to be held since it was initiated and adopted as a resolution to hold a high-level G25 African Coffee Summit of the 25 African coffee producing countries on 18th November, 2021 in Kigali Rwanda by the Inter-African Coffee Organization (IACO) during its 61st Annual General Assembly.

The first G25 African Coffee Summit under the theme: **“Sustainable Development and Economic Growth in the African Coffee Sector”** was held in Nairobi, Kenya in May 2022. The “Nairobi Declaration” was approved and signed to integrate “coffee” as a strategic anchor commodity in the African Union (AU) in harmony with the African Union Agenda 2063.

The 2nd G25 African Coffee Summit held in Kampala, Uganda in August 2023, the “Kampala Declaration” under the theme **“Transformation of the African Coffee Sector through Value Addition”** was signed

requesting Heads of State of the G25 African Coffee Producing Countries to support the approval and inclusion of “coffee” as a strategic anchor commodity in the AU AGENDA 2063 and the inclusion of IACO as a specialized agency of the African Union.

The 3rd G25 African Coffee Summit with the theme **“Unlocking Employment Opportunities for the Youth through Regeneration of the African Coffee Industry”** is scheduled for February 21-22, 2025, at the Julius Nyerere International Convention Centre in Dar es Salaam, Tanzania. The summit will focus on unlocking employment opportunities for the youth through revitalizing the African coffee industry. Key decision-makers, government leaders, industry experts, and private sector players will come together to discuss strategies for regenerating the coffee sector, with a strong emphasis on youth inclusion, value addition, and regional cooperation.

Target Audience

Heads of State and Senior Government Ministers from African coffee-producing nations

Senior representatives from African coffee-consuming countries

Key industry stakeholders: coffee farmers, exporters, roasters, associations, and entrepreneurs

Investors, research institutions, and development organizations within the global coffee industry
